

TDASC 2012 Beneficiaries

Proceeds from the 2012 TDASC Campaign will be awarded to the following recipients:

- 1. Tri Delta Houston Alumnae Chapter Community Scholarship Programs**
(Through the Tri Delta Houston Alumnae Chapter Philanthropic Fund)
To support our ongoing need-based scholarship program benefiting local Houston area high school young women attending Texas colleges.

A minimum of \$16,000
to fund one 4-year
scholarship
- 2. The Arts in Medicine Program (AIM).** The Texas Children's Cancer and Hematology Centers Arts in Medicine Program provides fun and educational children's art projects to encourage the development of coping skills in children with cancer and blood disorders. The Arts in Medicine Program (AIM), exposes children and teens to art in both the inpatient and outpatient clinical settings. Children admitted to the hospital can participate in many activities along with their families and siblings. As a leader in pediatric cancer treatment, among the best hospitals in the country, the arts in healthcare is vital to the treatment and cure of our patients with diseases from the easily treatable, to the life-threatening

10% of net proceeds
not to exceed \$3,000
- 3. Houston Alumnae Panhellenic Foundation**
For the TDASC Scholarship to be awarded May 2013

\$2,000
